My Name is Nahed Ben Haj and I'm a software engineer. I have got my bachelor degree on september 2020, and I have got a JS certification from Devslopes. I want to let you that I have a good ability to learn new tech easily. I don't have an experience but I have made an interesting web application for managing a pastry with spring boot and Angular. recently I have passed all the Exams in python essential1 and essential2 offered by cisco.
